

ITS

Port of Long Beach

With a
backlog of
ships, why
are some
many
terminals
closed? ITS?

Ports of LA & LB Container Terminals

Welcome to TMS 2.0

[What's New?](#)

[What is TMS?](#)

[How can I have access to TMS?](#)

Click [Register](#) link located at the top right corner of this screen, and follow the instruction. To complete registration, you will need one recent (approximately within the last 90 days) B/L or Booking number for each shipping line you want to have access. This is necessary for us to verify that you have a legitimate business with those shipping lines. Once you have successfully registered, you will receive the email confirming your receipt by clicking the link embedded in the email message. You must complete this confirmation process before you first log in.

No. You only need to register once. Your TMS user account will be valid across all our terminals. Once you logged-in, you can switch the terminal at any time without log off and log back in.
